

## **MEMBERSHIP COMMITTEE**

Well, it's been a productive year for a very busy Membership Committee. Yesterday, the new Membership Chairman was elected. We welcome **Rollie Lindstrom**, a major contributor to the fine works of our group. We are fortunate in having Rollie, with his organizational abilities.

At the next Membership Committee Meeting, on October 18th, the committee will select their coordinates for the sub-groups, and this Committee has many sub-groups. To name just a few, there is Lunch Bunch, Publicity, Sunshine Recorder, Historian, Secretary, and more. These varied groups are what makes working on this Committee an exciting and fruitful endeavor. With so many facets, there is never a dull moment.

At this time I would like to point out that Scholarships are available. It is a very private matter and will remain so. We want all Seniors interested in further education to join us. We know you all have much to contribute and we want to hear from you. We also have courtesy passes to encourage non-members to join us for a class, or two. We know you will be as excited over our Curriculum as we are. So come on in, bring your friends, and see for yourself if this isn't the most enjoyable, educational, and friendly group in town.

It has been a wonderful experience working with a terrific and dedicated group and now we're delighted to add three new workers: Namely: **Cheryl West-Davies**, **Aletha Westerberg** and **Phyllis Williams**. Won't it be great if we run out of chairs in the Meeting Room because so many people want to join this exciting Committee? (Just joking).

In closing, I would like to thank all the folks who have been so helpful in making our Committee the success that it is, and it is with great confidence that we wish Rollie even more success as ENCORE reaches more seniors and promotes education with guidance from Clatsop Community College.  
Here's to another successful year for ENCORE.

I'm looking forward to seeing all my dear friends in class next week.
